**Christian Science**

Scientific causation and spiri-  
tual reality will be explored in  
a Bible lesson sermon on "God  
the Father (and the Son)" at  
Christian Science Church serv-  
ice on Sunday.

Respective Reading from Job

Prayers will begin with three  
verses: "The Lord is righteous  
in all his ways, and holy in all  
his works."

"The Lord is high unto all  
them that call upon him, to all  
that call upon him in truth."

Related passages to be con-  
sidered from the Christian Sci-  
ence textbook include these lines:  
"When mortal man blends his  
thoughts of existence with the  
spiritual and works only as God  
wills, he will no longer grope  
in the dark and cling to earth be-  
cause he has not tasted heaven."  
The age seems ready to approach  
this subject, to ponder somewhat  
the supremacy of Spirit, and at  
least to touch the hem of Truth's  
garment. "Science and Health  
with Key to the Scriptures" by  
Mary Baker Eddy.

**LET'S LOOK AT THE  
RECORDS**

BY LINDA MORRIS

One of the fastest-growing  
new musical forms — truck  
driving songs — is the sub-  
ject of Roll, Truck, Roll by  
Capitol's newest country  
music star Red Simpson...  
Simpson, who makes his  
home in Bakersfield, Calif.,  
has collaborated with coun-  
try music's No. 1 song-  
writer, Buck Owens, on a  
number of hit tunes in-  
cluding several on this LP—  
My Baby's Wallin', Happy  
Go Lucky Truck Driver,  
Motivation! Man, Runaway  
Truck... Among others  
contained in the album are  
the title songs, written by  
Tommy Collins, Highway  
Man, Truck Driver's Blues  
and Six Days on the Road.

Hank Thompson and  
His Brazos Valley Boys do  
a rather odd one in A Six  
Pack to Go... From truck  
driving to beer drinking,  
Hank's is an LP consisting  
of "beer-oriented" (in name  
only) country tunes... To-  
gether with the Valley Boys,  
he performs the title song  
and Hangover Heart, Bub-  
bles in My Beer, Hangover  
Tavern, A Broken Heart  
and a Glass of Beer, Beer  
Barrel Polka and five others.  
... We've heard the expres-  
sion crying into one's beer  
before, but this is the first  
time we've heard it put to  
song... What next?

Going from the ridiculous  
to the sublime, Angel Re-  
cords offers a truly great  
LP based on Fucini's Tosca  
(that's an opera, for the  
rock fans)... Maria Callas  
is featured in Tosca high-  
lights, along with Carlo  
Bergonzi and Tito Gobbi  
who do the famous Recon-  
dita armonia and E lucevan  
le stelle...

## 20 SECONDS WITH THE NAZARENE

I have only just a minute,  
Only sixty seconds in it.  
Forced upon me—can't refuse it.  
But it's up to me to use it.  
I must suffer if I lose it.  
Give account if I abuse it.  
Just a tiny little minute,  
But eternity is in it.

## To the star-spangled American boss

—And others who deserve it for doing a favor that you might not have thought about

Hats off to the many presidents and managers of com-  
panies who helped build the Payroll Savings Plan into  
what it is today—one of the most popular and easy ways  
to save money.

These business leaders provided the facilities and man-  
power necessary to operate the Plan—plus their own  
unwavering endorsement. And never stopped to count  
hours or pennies.

Thanks to them, over 3 million Americans—their em-  
ployees—are building security and helping their country  
through this automatic savings plan.

There are others who have helped other millions of  
Americans own a share of their country. Volunteers in  
every walk of life. Folks in radio and TV, movies and  
the theater. Newspaper and magazine and billboard folks.  
And those "unknown" in thousands of banks and savings  
institutions.

Buy Bonds at your bank, or on the Payroll Savings  
Plan where you work, and you'll see what a good idea it is.  
And the next time you see your boss (who helped make  
it so easy for you to serve)—thank him.  
He deserves it—from all 190 million of us.

## NO ALIBI FOR LAWLESSNESS

All manner of excuses are given for the waves of juvenile delinquency that continually poison this country. It is said that some way, some how, society has failed these errant young people and so society must take the bulk of the blame. How about parents?

A man who is a real authority on crime and its causes - Director J. Edgar Hoover of the FBI - holds a very different view. In his words, "Teen-Agers and their parents have been subjected to a foolhardy theory which condones rebellious conduct against authority, law and order, or any regulatory measures which restrict their whims, wishes, desires, and emotions. This condoning belief has spread into the subconscious of the living room, the classroom and now into the streets of our nation in the form of wild juvenile bands."

"No doubt society has failed in one way or another, but not in the way many seem to think. That is, the education has been the failure to teach them the meaning of discipline, restraint, self-respect, and respect for law and order and the rights of others. Strangely, the lesson now is both painful and costly."

The correct way to turn the juvenile delinquency of today into the law-abiding adult citizen of tomorrow is to provide him with the correct role model. The correct role model is to be a law-abiding citizen and to be a law-abiding citizen is to be a law-abiding citizen.

W. S. C. S. BIRTHDAY SUPPER LAST THURSDAY EVENING

Last Thursday evening, the Woman's Society of Christian Service met at the Methodist Church for a fellowship supper celebrating the 25th anniversary of the Society.

Mrs. Annie Gordon, president, welcomed the twenty-three members who were present. Mrs. Muriel Butters presented corsages to the following twenty-five year charter members: Mrs. Maude Bean, Mrs. Elsie Poore, Mrs. Helen Berry, Mrs. Myrtle Lapham, Mrs. Frances Saunders and Mrs. Mabel Greenleaf, the first president of this chapter.

Twenty-five year members who were unable to attend are Mrs. Elsie Davis, Mrs. Verna Dyke, Mrs. Lettie Hall, Mrs. Millicent Wentwell and Miss Alice Capen.

Mrs. Rachel MacKay presented a very interesting program with highlights and memories from the past twenty-five years of the Society and goals for the future.

The purpose of the W. S. C. S. is to help women grow in the knowledge and experience of God as revealed in Jesus Christ and to challenge them to respond to God's redemptive purpose in the world. Toward the realization of this purpose the Woman's Society shall provide opportunities and resources which will help women grow in understanding and spiritual power; increase their knowledge of needs of the world and share through witness and service in the outreach of the church. The Woman's Society shall collect, work and secure funds for the fulfillment of their responsibility in the mission of the church at home and overseas.

The emblem of the Society consists of a triangle representing the Trinity; the three churches which united, the three united organizations of Methodist Women and the three divisions of the Board of Missions.

Inasmuch as the organization believes in a global gospel, with work extending to the ends of the earth, the two hemispheres and cross are enclosed by the triangle on which appears the name - Woman's Society of Christian Service. The emblem is a symbol of united efforts for the hope and victory for this organization in helping win the world for Christ.

### MARTIN NEW MEXICO MGR. - TO RESIGN RUMFORD AND COUNTY POSTS

Oxford County Treasurer Stuart F. Martin of Rumford said Tuesday that he would resign the office he now holds in order to succeed John True as town manager of Mexico.

Mr. Martin had announced earlier this year that he would seek the Republican nomination to stand for election to a fourth term in the office next November.

His resignation will leave the county Republicans without a candidate for the job, and will necessitate the appointment of an interim county treasurer by Gov. John Reed to fill the vacancy.

Mr. Martin will also resign as a selectman in Rumford in order to take Mr. True's place. Mr. True will become manager of Ellsworth.

Mr. Martin started working for the town of Mexico on a part-time basis on Wednesday pending the taking care of details involving the resignation of the county post.

Long active in county politics, he has also served in various municipal posts in Rumford.

Mr. and Mrs. Matthew Brooks were week end guests of Mr. and Mrs. Maurice Brooks before moving to Bar Harbor for the summer.

The bride, daughter of Mrs. Walter L. Brann, Jr. of Lisbon Falls, and the late Mr. Brann, wore a street length gown of white nylon featuring a cummerbund and a lace jacket. Her illusion shoulder length veil fell from a tiara of seed pearls and she carried a cascade of white carnations centered with sweetheart roses.

Miss Bernadette St. Amant was the maid of honor and wore a dress fashioned in the same style in light pink and wore matching accessories. She carried a colonial bouquet of pink carnations.

Mr. Craig is the son of Mrs. Pauline Tromza of Butler, Pa., and Wesley Craig of Cleveland, Ohio. George Coombs of Brunswick served as his best man.

The bride is a graduate of Lisbon High School in the class of 1963. Mr. Craig attended schools in Pennsylvania and graduated from Butler High School. He is at present stationed at the Naval Air Base in Brunswick.

Following the wedding reception held in Lisbon the bridal couple left on a trip through Maine. Upon their return Mr. and Mrs. Craig will reside at 61 North Street, Bath, Maine.

On Saturday, May 21, 1966, at 5 o'clock ceremony in the rectory of the Holy Family Church in Lisbon Falls, Maine, Miss Jean Lorraine Brann became the bride AG2 Philip Bruce Craig. The Rev. N. J. Cournoyer officiated at the double ring ceremony.
